

TO OUR VALUED REPRESENTATIVES AND CUSTOMERS;

## SANTEC OPERATIONS UNDER COVID-19

By order of the County of Los Angeles and the State of California, we have been required to shut down our manufacturing facility. However we do understand that you may have more immediate needs and hopefully we can help.

We have limited staff working remotely taking orders, addressing enquiries (where information is available). We can process E-series and Limited Designer series in stock orders from our secondary warehouse. We are able to ship most of our in stock products within 72 hours.

You can reach us at ([orders@santecfaucet.com](mailto:orders@santecfaucet.com)) or call (310)542-0063 between 7:30 am 4:00 pm PDT) and let us help you. *The email will kick back a message, but they are getting through. The main number above should forward to a cell phone.* Thank you for your support and we look forward to serving you.

You can also contact:
